1. General Information

This contract intended to cover the State's normal requirements for the following categories of LED Lighting:

- a. **Category I: PAR 20 Lamps**
- b. **Category II: PAR 30 Lamps**
- c. **Category III: Cove Lighting**
- d. **Category IV: Area Lighting**
- e. **Category V: Downlights**
- f. **Category VI: Troffers**
- g. **Category VII: Wall Packs**

2. Scope of Contract

The scope of this contract is limited to the products as defined herein. This contract is for use by all state agencies, departments, institutions, universities, community colleges, public schools units (except those exempted by statute), and certain non-state agencies.

In accordance with North Carolina General Statutes, certain non-state entities described below, may participate in this contract on a voluntary basis. Any of the non-state entities that choose to participate in this contract must abide by the terms and conditions that are set forth in this contract.

Nonprofit corporations operating charitable hospitals, local nonprofit community sheltered workshops or centers that meet standards established by the Division of Vocational Rehabilitation of the Department of Health and Human Services, private nonprofit agencies licensed or approved by the Department of Health and Human Services as child placing agencies, residential child-care facilities, private nonprofit rural, community, and migrant health centers designated by the Office of Rural Health and Resource Development, private higher education institutions, counties, cities, towns, governmental entities, volunteer fire departments, rescue squads, and other subdivisions of the State and public agencies thereof.

3. Taxes

Prices or Discounts shown herein do not include any North Carolina sales or use taxes.

4. Abnormal Quantities

Any State agency requirement that exceeds **\$75,000.00** must be forwarded to the Division of Purchase and Contract for processing. The Division, at its sole discretion, may process any such requirement in one of the following ways:

- a. Purchase may be authorized at the current level of pricing with the current contract vendor(s.)
- b. Additional discounts from the current level of pricing may be negotiated with the current contract vendor(s.)
- c. A separate Invitation for Bids may be issued for the requirement.

5. Minimum Orders

This contract will be for a minimum order of **\$250.00 and in standard case/package quantities** for any single order. Agencies are authorized to purchase from best available sources on orders less than this minimum order value. This provision shall not be used by an agency to circumvent the intent of the contract. If an agency elects to place an order for less than the minimum order value, and the contractor elects to accept such order, then transportation charges will be prepaid and added to the invoice.

For any orders not in case quantities, the end user may elect to pick-up these items from the local dealer.

6. Placement of Orders

Orders will be placed throughout the contract period on an as-needed basis for the quantity required at the time, and will be issued directly to the respective contractor(s) or their designated suppliers.

Contract changes, if any, over the life of the contract are implemented by contract addenda released by the Contract Administrator to the contractor. If the contractor is accepting orders and/or delivering through other parties, for example a manufacturer accepting orders and delivering through a dealer network or dealers receiving orders through a network of other dealers, then it is the responsibility of the contractor to apprise such parties of all such contract addenda.

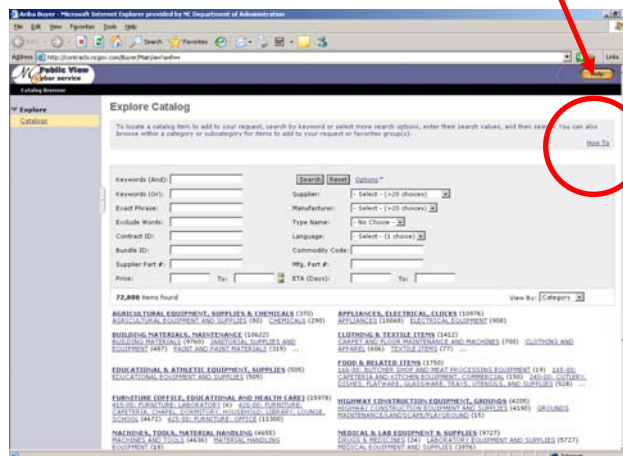

Order Placement Via E-Procurement (Catalog Items)

7. Delivery

Term Contract No. 285C

Delivery will be complete within **seventy-two (72) hours** after receipt of purchase order. In the event the delivery is not received within the contract delivery period, the contractor may be held in default in accordance with paragraph 1, DEFAULT AND PERFORMANCE BOND in the North Carolina General Contract Terms and Conditions, and the state may procure the articles or services from other sources and hold the contractor responsible for excess cost occasioned thereby.

Custom made products will be delivered within the timeframe established by the vendor and timeframe will be referenced in the Contractor section.

8. Transportation Charges

All goods shall be delivered **FOB DESTINATION** for all orders equal to, or greater, than the minimum order, when shipped to a single destination to any location within the State of North Carolina. Orders for less than the minimum order will be shipped prepaid, with transportation charges added to the invoice as a separate item. Transportation charges levied by the contractor for orders equal to, or greater than the minimum order, when shipped to a single destination, may be cause for removal of the contractor from the contract. In instances where the contractor makes partial shipments of an order to one destination, which is equal to, or greater than, the minimum order, all shipments of the order shall be sent **FOB DESTINATION** with NO additional transportation charges.

All shipments should be inspected for damage immediately upon receipt.

9. Price Lists and Catalogs

The successful contractor must furnish descriptive literature to any agency within **five (5) business days** after request of the agency. Failure to comply with these requirements may subject the contractor to removal from the contract.

10. Item Pricing Information

If additional LED Lighting products become available during the term of the contract, these products may be added on a case by case basis.

When requested by the State, the vendor will be required to offer on-site assistance to any place in NC when the projected purchase exceeds \$2,500.00 within five (5) business days of notification.

11. Contractors

All known minority, women and disabled owned businesses, as well as disabled business enterprises and nonprofit work centers for the blind and severely disabled, including dealers, will be identified with "Minority owned" "Woman owned", "Disabled Owned", "DBE" or "BSD" as appropriate after the vendor number. This is being done in an effort to recognize these businesses and to encourage and promote their use to the greatest extent permitted by law.

When more than one supplier is listed for a particular item, selection should be made, whenever possible, from any of the groups identified above, consistent with agency needs and price considerations.
